

# GALLANT®

## DISPOSABLE PREP RAZORS

**GALLANT®** THE NEW CAREFUL SOLUTION

USUAL PREP RAZOR TREATMENT

CONVENIENT, EASY TO OPEN & ENVIROMENTAL FRIENDLY COVER

The **GALLANT** disposable prep razor ....  
a unique blend of design and funktion ...  
offers the ultimate in safety and performance

- safe ... contoured handle with sure grip ridges provides precise fingertip control
- easy to use ... handle lies in front of blade thus requiring only light gentle pull instead of pressure
- effective ... platinum coated stainless steel blade shaves close without nicks or irritation
- better technology ... open design provides optimal view of shaving area
- simple to keep clean in both wet and dry prepping
- specially designed comb and open structure prevents clogging ... easy to rinse
- cost effective ... no need to use more than one razor per procedure
